Welcome...

You are always cordially invited to visit Bork's Nursery at anytime that suits your convenience. No special invitation is needed. We will do everything possible to make your visit with us worthwhile. We have some of the best nursery stock to offer this season that you have ever seen.

We want to take this opportunity to thank all of our customers for helping us enjoy a successful season, and hoping you enjoyed the same.

Hoping to see you very soon.

Leslie Bork

Our new sign, which was erected this year, is an added attraction at our Nursery.

Shrubs

We take pride in growing our shrubs, as we produce exceptionally heavy Shrubs for the market, and also, by having rich, sandy, loam soil, we can produce a fibrous root system.

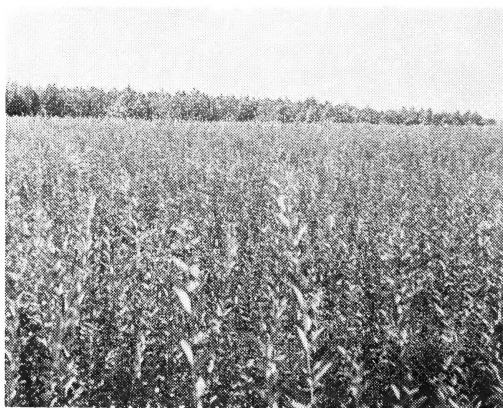

*You are always welcome
to visit our Nursery.*

EMERALD

EUONYMUS SHRUBS

**THE NEW, HARDY, BROAD-LEAVED
EVERGREENS — INCOMPARABLE
FOR
HEDGING - FOUNDATION
AND ORNAMENTAL USE**

NOW! A new and exciting all-purpose Euonymous Shrub has been created through scientific hybridizing for the home gardener. These hardy, broad-leaved evergreen shrubs have been developed in four distinctly different types for formal and informal plantings.

EMERALD CHARM—a compact, bushy shrub with dark green leaves—grows in a natural upright form 4 to 5 feet tall with 18 inch spread.

EMERALD LEADER — a decorative, bushy evergreen, beautifully clustered with orange berries to contrast glossy green leaves. Grows 4 to 5 feet tall by 2½ feet spread.

EMERALD PRIDE—an excellent dwarf evergreen grows 4 feet tall with 3½ foot spread.

EMERALD CUSHION — very dwarf and dense; compact evergreen. Grows 15 to 18 inches with 3 foot spread.
